HELP

☒

I understand that I will reimburse the Total Government Cost above for non-completions; unsatisfactory grades (undergraduate "D" or below, graduate "C" or below, or equivalents); incomplete "I" grades unresolved 180 days after the class end date; or withdrawals if determined that the failure to complete the course was not due to reasons beyond my control (IAW AR 621-5). I hereby voluntarily authorize the amount to be withdrawn from my pay. Collection of this debt will be in accordance with DoDFMR, Vol 7A, Chapter 50.

☒

I understand that this application does not guarantee that funds are available, and that the US Army has no obligation to fund this application until it has been approved by the education services staff.

☒

I understand that TA for courses starting in the next FY is conditional until receipt of the TA funds.

ACADEMIC

☒

I understand that it is my responsibility to ensure my grades are updated in the Army official system of record (ArmyIgnitED). Grades that are 60 days past class end date are considered overdue and will prevent me from applying for TA and will result in recoupment of TA.

☒

I authorize the release of academic information (course grades, degree completion status, etc.) by the above institution to the Army (PL 93-568). I grant permission for the Army to share my academic information as needed with Army Civilians and Army Contractors only for their responsibilities and contracts for education services/programs. All policies and conditions in AR 621-5 apply.

MILITARY SERVICE OBLIGATION (COMMISSIONED OFFICERS, CW2/2LT AND UP)

☒

I acknowledge (Commissioned Officers, CW2/2LT & up) that I incur a Military Service Obligation (MSO) IAW Title 10 USC, Section 2007. As a Regular Army, Active Guard and Reserve, or Title 10/Title 32 mobilized officer, I acknowledge that I incur an Active Duty Service Obligation (ADSO) of two years. As a Reserve Component (USAR/ARNG) officer, I acknowledge that I incur a Reserve Duty Service Obligation (RDSO) of four years. The TA MSO begins on the ending date of each class for which TA was approved. I understand that I may not under any circumstances reimburse an Institution for a TA-funded class to avoid an MSO. Only the Secretary of the Army or designee may waive my TA-imposed MSO; if waived, I am subject to recoupment of TA.
